ALBERTA FRONTIER SHOOTISTS

OCTOBER 2018

What's Happening Behind The Scenes?

Happy Anniversary!

The new Executive held their first meeting Oct 27, 2018. We are excited about the 2019 season which will be AFS's 20th anniversary! We have done some initial planning for the entire year's shoots and will be making plans for Canadians at our next meeting in February.

Some News from Last Year

Some people were wondering why the awards at Canadians were different last year. Well, it was because we had changed our awards structure to put a large permanent plaque to be put on display in the clubhouse with the winners' names engraved on it. This way our history is better recorded and on display for all to see. Unfortunately we didn't communicate this well at all to the club. We apologize for this. Communication will be a priority this year, so you will be seeing more newsletters through email and on our website. So stay tuned! The plaque will be up for our May shoot.

À 8 . ..

SADDLE UP MAY 25,26

LEATHER SLAPPER JUNE 22,23

AFS CANADIANS AUGUST 2,3,4

FALL ROUND UP AND AGM SEPTEMBER 14,15

We are looking into running a RO course in may to bolster our ranks and provide new shooters with more info. We are encouraging any members to give it a try.

There will be new online fillable shoot registration forms and membership forms rolling out in January to make it easier for you to use including “how to use” directions. These forms will be on the web site. For all inquiries please use albertafrontiershootists@gmail.com and we can respond.
