ALBERTA FRONTIER SHOOTISTS

APRIL/MAY 2019

Good News

On April 7th we had sent out a memo regarding our club's status from the CFO regarding ATTs. One Eye did some investigating on behalf of Alberta Frontier Shootists, and our club has now just recieved Club Approval from the CFO last week.

Canadians

On April 27 we had our third Executive meeting; mostly planning our 20th Canadians event. We are planning side matches and some other fun events. The poker game will go again this year and look for other additions to the game night!

The new large permanent plaque that will be housed in the clubhouse with the Canadians winners' names engraved on it will be ready to display at the May shoot. We are hoping that this is a better way to award and record our Canadians' history. We looked into additional awards for this year, for the 20th Anniversary, in addition to the plaque, but decided to go with a shooter gift instead.

New Tents were purchased for our Canadians event more than doubling our shelter in the eating area. This will be handy for both rain and sun shelter!

The theme of this year's Canadians is The Recollection at the Ridge. We are hoping to collect memorabilia for a memory board display. If you have any photos or stories, please get them to Santa Maria by the end of May. Give her a shout by email stallion38@hotmail.com to contact her and you can bring any memorabilia to the May shoot so it can be organized for Canadians.

Work Bee

We had our meeting out at the range on April 27. It was a very snowy day but we did a walk around to see what needs to be done at the Work Bee May 23 – 24 (The two days before our May Shoot.) If you can come out to the Work Bee your help would be very much appreciated.
